Fairview Park Chamber 2011 Bright Star Recognized

The Chamber Bright Stars for 2011 were recognized on Thursday, October 27th at the semi-annual Chamber Leadership meeting and fourth annual Bright Star Awards presentation of the Northern Ohio Area Chambers of Commerce (NOACC) at the Hyatt Regency Cleveland at the Arcade in Cleveland, Ohio.

Almost 50 chambers of commerce across northern Ohio nominated a person from their chamber as their "Bright Star," to recognize a chamber member who has "made a significant impact on the chamber through membership, retention, sponsorship, economic development, operations and/or education".

Each Bright Star is an active chamber member for no less than two years and is likely to be an unsung hero or a dedicated behind-the-scenes volunteer.

Brion Deitsch, Superintendent of Fairview Park Schools and the Fairview Park Chamber's Bright Star 2011, accepted his certificate from Wayne Lawrence, NOACC Chairman and received his trophy from Lute Harmon, Chairman of Inside Business Magazine.

John Sobolewski stated, "Brion is a born leader. He currently serves as Superintendent of the Fairview Park City Schools. He is always the voice of reason in any situation. He has an uncanny ability to balance his extremely busy work schedule and also serve on the Chamber Board as Vice President and Rotary. He is respected by all and he is most deserving of this award".

This is the fourth year for the Bright Star Awards, and again has given an opportunity to recognize these volunteers among their peer groups, as chamber representatives, board members and spouses were also in attendance.

Wayne Lawrence, NOACC Chairman, was pleased that this opportunity allowed the chambers and their communities to give these "Bright Stars" the thanks they deserve for everything they do to help their chambers succeed.
